

Some screens of bbshop project. There are still some issues that I'm working on and features that I want to apply.

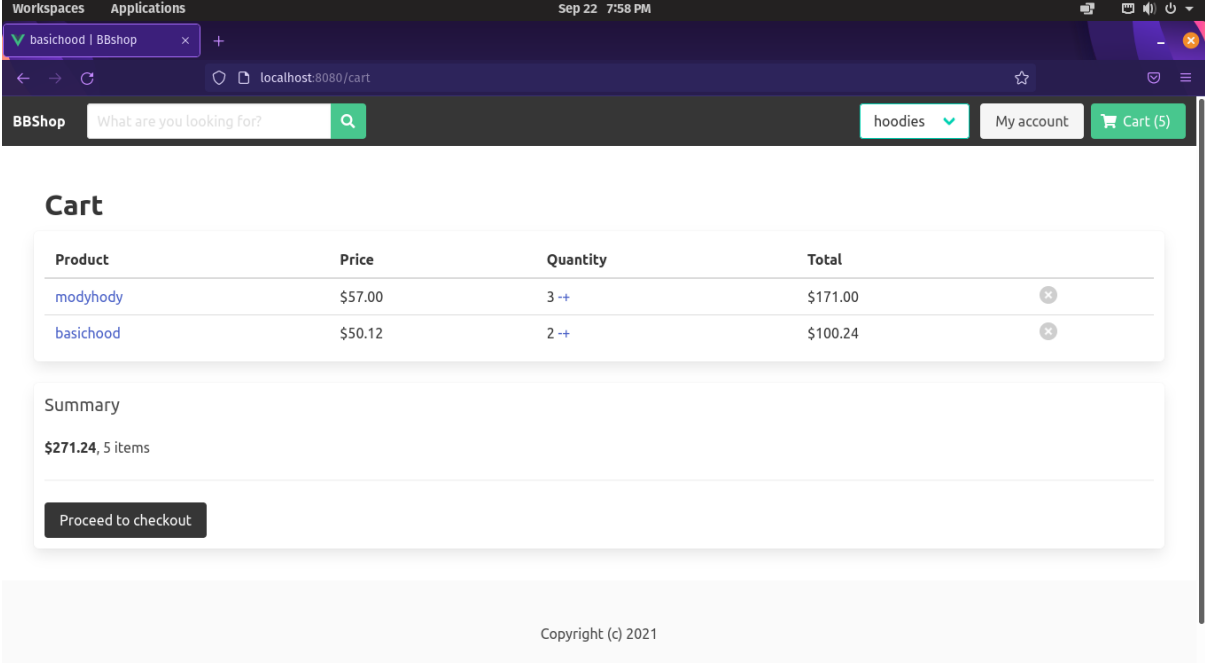

1. Home page

2. Product

3. Cart

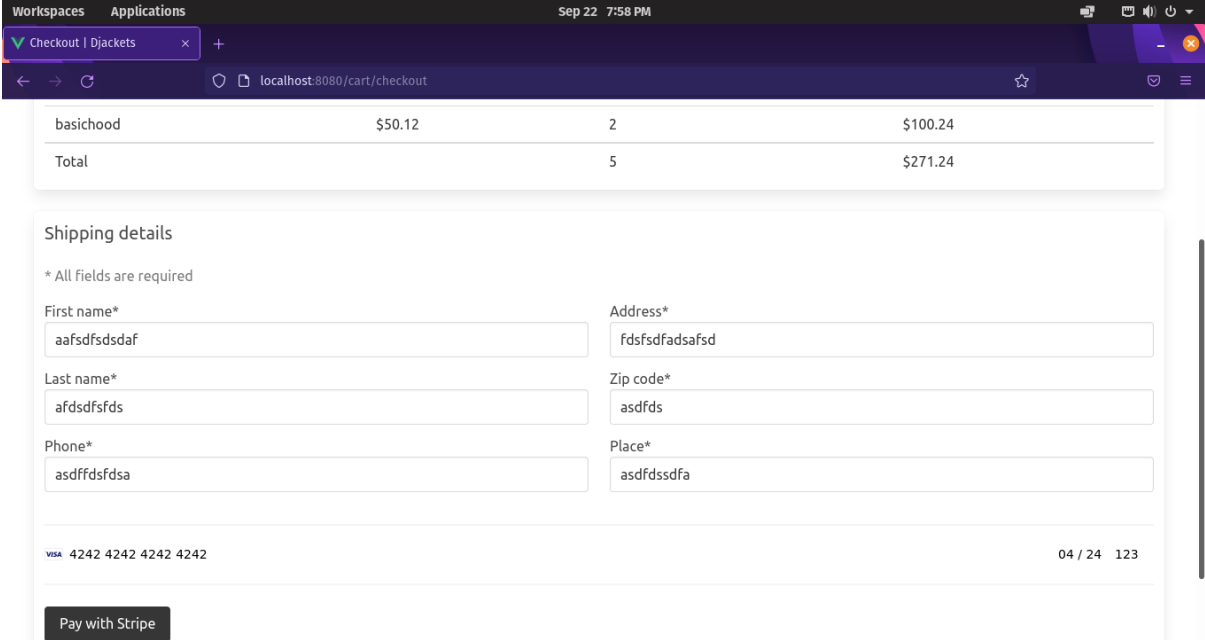

The screenshot shows a web browser window with the URL `localhost:8080/cart`. The page title is "BBSHOP" and the navigation bar includes a search bar, a "hoodies" dropdown, a "My account" link, and a "Cart (5)" button. The main content area is titled "Cart" and displays a table with the following items:

Product	Price	Quantity	Total
modyhody	\$57.00	3 +	\$171.00
basichood	\$50.12	2 +	\$100.24

Below the table is a "Summary" section showing a total of "\$271.24, 5 items" and a "Proceed to checkout" button. At the bottom of the page, there is a copyright notice: "Copyright (c) 2021".

4. Checkout

The screenshot shows a web browser window with the URL `localhost:8080/cart/checkout`. The page title is "Checkout | Djackets". The main content area is titled "Shipping details" and includes a note: "* All fields are required". The form contains the following fields:

First name*	Address*
<input type="text" value="aafsfdsdsdaf"/>	<input type="text" value="fdsfsdfadsafsd"/>
Last name*	Zip code*
<input type="text" value="afdsdfsdfs"/>	<input type="text" value="asdfs"/>
Phone*	Place*
<input type="text" value="asdffdsfdsa"/>	<input type="text" value="asfdssdfa"/>

Below the shipping details is a payment section showing a VISA card number "4242 4242 4242 4242" and an expiration date "04 / 24 123". A "Pay with Stripe" button is located at the bottom of the page.

5. My account (redirected after successful payment)
